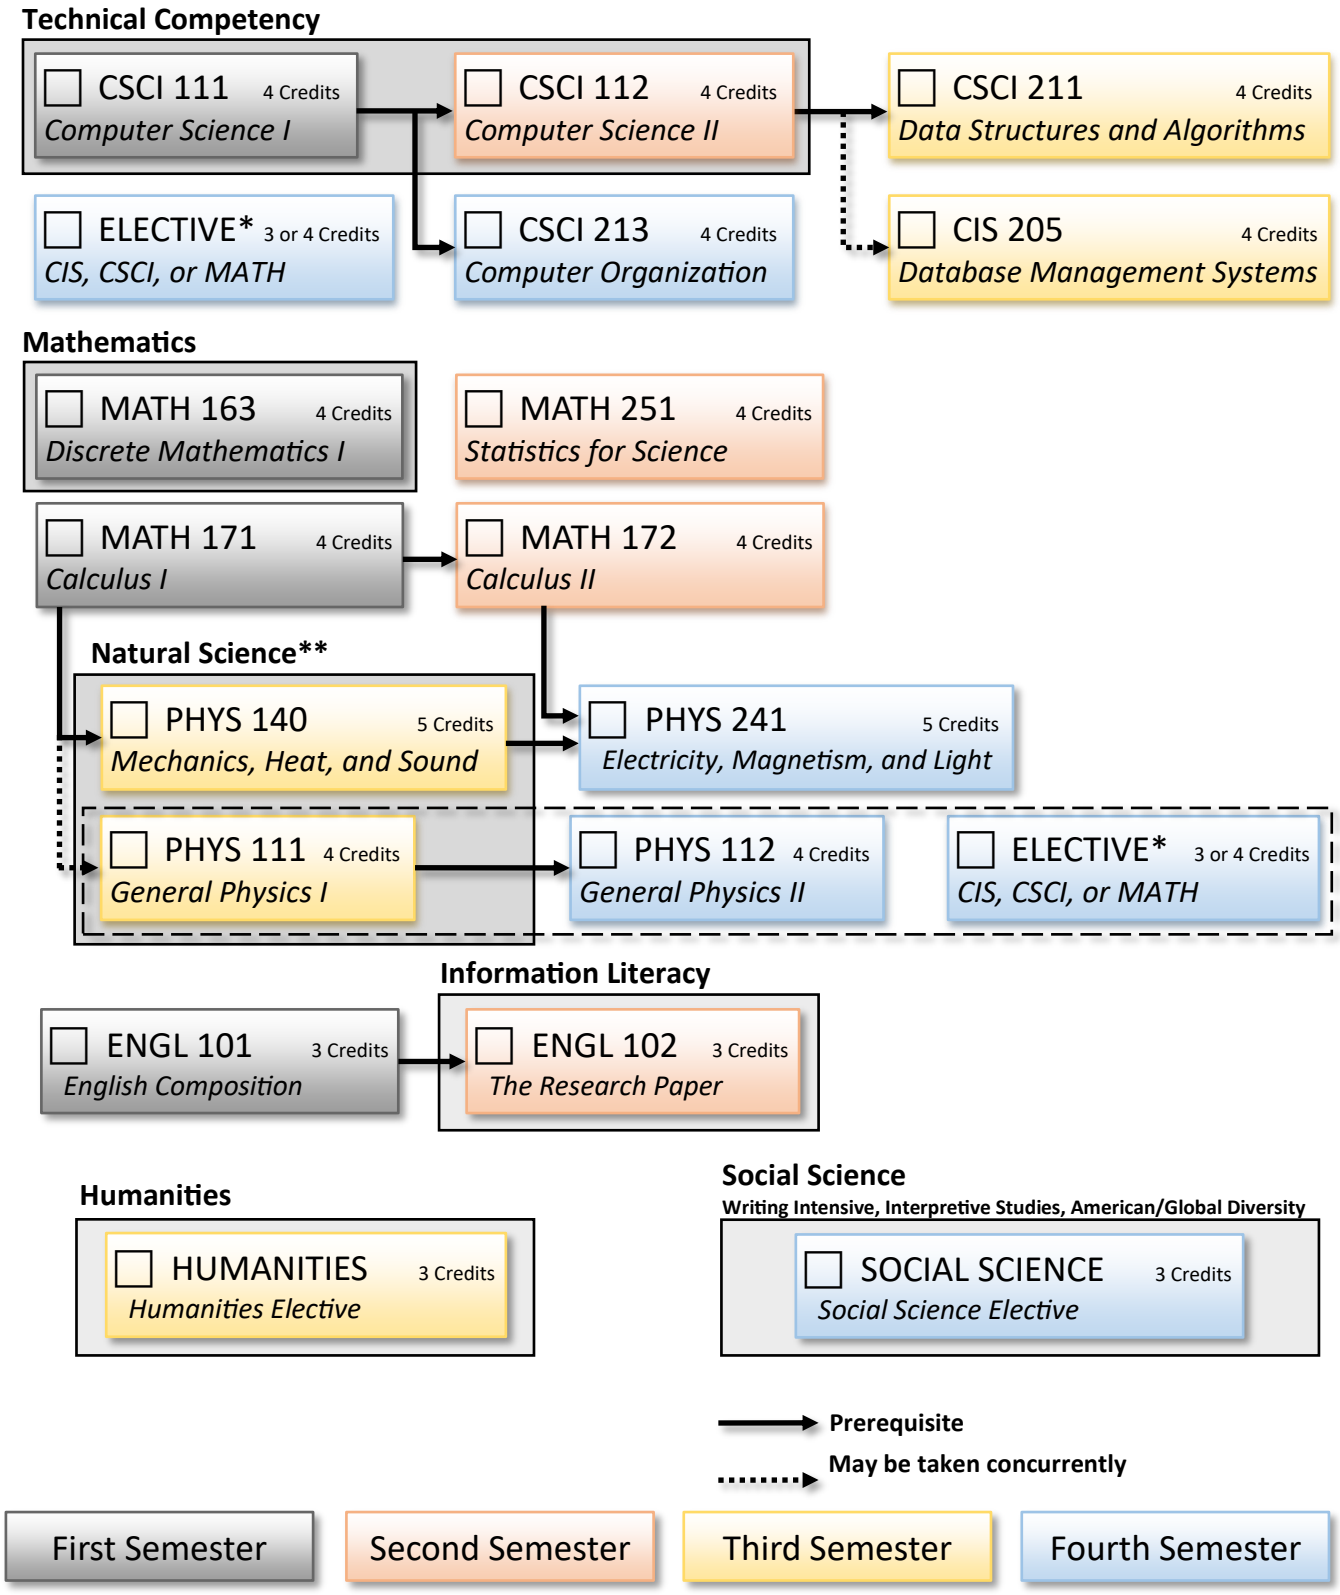
Associate in Science in Computer Science

Fall 2017 Catalog



*** See second page for a list of approved directed elective courses.**

**** See second page for information related to the Natural Science requirement.**

***** Any language course in Arabic, Chinese, French, Italian, Hebrew, Japanese, or Spanish may be chosen.**

Students should meet with a faculty advisor before selecting elective courses.

Natural Science Requirement

- If you choose PHYS 111 and PHYS 112, you will need at least two additional credits to complete the 61 credits required for the degree.
- This additional elective course can be any CIS, CSCI, or MATH course in addition to courses already required by the degree.

Directed Elective (Choose One)

The directed elective course is in addition to CSCI, CIS, or MATH courses required by the degree.

- Any CSCI, CIS, or MATH course of at least 3 credits at the 100-level or above. (New courses may require a Course Substitution for Graduation Form)

A.S. IN COMPUTER SCIENCE GRADUATION REQUIREMENTS

- At least 61 credits as prescribed
- Overall GPA of at least 2.0
